Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The prior art made of record does not teach or fairly suggest the combination of elements as recited in the independent claims. Specifically, the prior art of record does not teach:

prioritizing the plurality of medical image files using a prioritization scheme having at least three levels including a first level comprising a currently viewed medical image, a second level comprising medical images in a viewing stack and a third level comprising medical images with a higher priority wherein the medical images in the viewing stack and the medical images related to the medical images with a higher priority are not currently viewed medical images.

The dependent claims being definite, further limiting and fully enabled by the specification are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
